7th November

Dear Parent /Carer,

Your daughter has been selected to play in a netball tournament at Bowbrook House School on Tuesday 14th November 1.30 – 3.30 pm approximately.

On the day it is advisable to take warm layers and a waterproof together with an extra drink. If your child needs an inhaler it is important that this is in school and taken to the event. Squash and biscuits will be available at the end of the tournament. If you do not wish your child to have any refreshments, please indicate on the reply slip below.

Children who usually go home on the bus may not be able to on this day due to the approximate finish time. If we are back at school by 3.30 pm we will allow your child to go home the usual way. If your child usually goes home on the bus, provisional arrangements will need to be made by yourselves in case we arrive back at school after the bus has left. If this is the case your child will wait at the office.

If your child has missed the bus we will send a text to inform you.

If you agree to your child participating in this event please sign return the slip below by Friday 10th November.

Yours sincerely

N Maloney  
( PE Co-ordinator)
