7th November

Dear Parent /Carer,

Your child is amongst the first group to be given the opportunity to attend healthy club with Mr Hirons and some Year 7 leaders on a Wednesday lunchtime. We also hope to have a visiting guest on one or two of the sessions . The club will introduce a large variety of sporting activities over several lunch hours, some more active than others. Last year's group played some mini golf, did long jump in the long jump pit, badminton, benchball, table tennis and bowling.

Groups can make their own choices as to what they would like to do. The leaders will help to prepare and lead each week with the emphasis on having fun.

Groups invited will change on a regular basis.

I hope you will encourage your child to attend. I know this was a very popular club last year.

Yours sincerely

N Maloney
(PE Co-ordinator)

Mr Hirons

Healthy Club

I would like my son / daughter _____ Class _____ to take part in the Healthy Club.

Signed _____ Date _____
