Kids Parties

If you're looking for something different and memorable for a birthday treat this year then a Cook Stars party is the answer! We offer cooking birthday parties within your home or chosen venue which can be adapted depending on the number of guests and their age.

As well as cooking, all guests decorate their own chef's hat and join in our unique party games! We take care of all entertainment and catering so parents can sit back, relax and enjoy the occasion too.

High Tea

Make, bake and decorate delicious cupcakes from scratch to take home in beautiful cake boxes. Guests design edible jewellery before being served high tea with hot chocolate.

Little Cookies

Perfect for younger guests or larger parties. Guests make scrumptious cookies to decorate with our fantastic selection of icing, sprinkles and glitters. Party food and games included.

Little Italy

Have fun, weighing, kneading and rolling to make hand-made pizza or calzone with your favourite toppings. Make your own ice cream sundaes for pudding - yum!
