

St Barnabas CE First & Middle School

How do you feel about the future of education?

Come and have your say at
**The Big Education
Conversation**

You are invited to join us on
**Thursday 17th January
at 10.30am or 1.45pm**

What message would you like to give to decision makers?

This is an 'open space' event where all participants will be able to say as little or as much as they want to. It is an opportunity to share and listen to other people's views. Your contribution will form part of a national conversation to inform policy.

Places are limited so please email the school office at

office@st-barnabasfirstmiddle.worcs.sch.uk

to reserve your place today.

Please state which session you would like to attend.

This is a pilot project in partnership with Schools of Tomorrow and Whole Education.
