# THINK

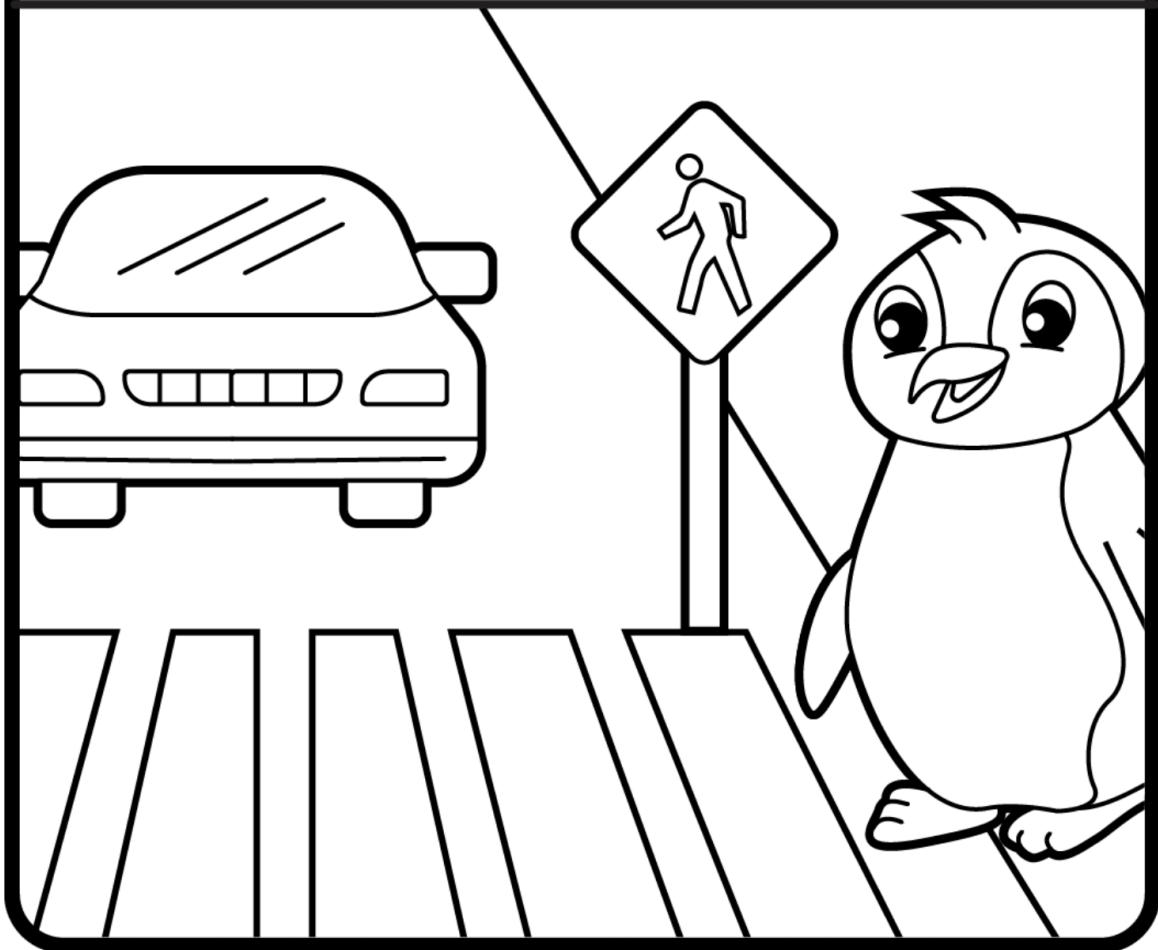

## Always use the green cross code

- Find the safest place to cross, then STOP.
- Stand on the pavement near the kerb.
- Use your eyes and ears, look all around for traffic and listen.
- Wait until you're sure it's safe then walk across the road - DON'T RUN.
- Keep looking and listening for traffic as you cross.
- If you're not sure, don't cross.

**STAY SAFE!**
